1. Offers

- 1.1. All offers of a place to study a course or programme of study at the University are made subject to the Academic Regulations, these General Student Regulations, and the Course Handbook.
- 1.2. Acceptance of an offer can be via UCAS, via another agent of the University specified in the offer, via the University's admissions portal website or directly to the University. Acceptances communicated directly to the University must be in writing (email is acceptable, provided it is sent to accept@londonmet.ac.uk).
- 1.3. Once an offer-holder has accepted the offer and complied with any conditions of enrolment set out in the offer or the Academic Regulations or these General Regulations of the Course specific regulations the offer-holder will be entitled to enrol for the academic year set out in the offer.
- 1.4. The University may withdraw an offer and refuse to register an offer-holder as a student:
 - 1.4.1. At any time before the offer has been accepted;
 - 1.4.2. After it has been accepted but before the offer-holder has registered as a student, where:
 - 1.4.2.1. there is a change in the offer-holder's circumstances; or
 - 1.4.2.2. further information becomes available which, in the reasonable opinion of the University Secretary or Director of Student Journey, indicates that it would be inappropriate for the offer-holder to join the University or study on the course, that the offer-holder is not fit to study or if the offer-holder is joining a course which has professional accreditation that they are not fit to practise that profession; or
 - 1.4.2.3. in the University's opinion, the course is not viable (whether financially, logistically or academically) due to the number of students who have accepted offers.
- 1.5. The offer-holder may request that the Director of Student Journey reviews any such decision to withdraw an offer after acceptance.

2. Registration and Enrolment

- 2.1. All offer-holders must register as students and enrol on a programme/module(s) during the designated session notified to them by the University or (with the written agreement of the University) no later than the second week of their course. If an offer-holder has been offered a place during the second week of their course, the offer-holder must register as a student and enrol within 7 calendar days of the date of the offer.
- 2.2. If an offer-holder does not register as a student in the academic year set out in the offer, the offer shall lapse and offer-holder shall not be entitled to register as a student or enrol in any other academic year. An offer-holder may ask the University

to agree to defer their offer to the next year, provided such request is in writing, but this shall be at the University's discretion;

- 2.3. An offer-holder may only register as a student and enrol if:
 - 2.3.1. they meet the conditions of the offer or the requirements of the Course or Module regulations;
 - 2.3.2. they provide satisfactory evidence:
 - 2.3.2.1. of the qualifications on which the offer was based;
 - 2.3.2.2. to establish their full name, date of birth, and current address;
 - 2.3.3. they disclose any criminal convictions (see section 5 of the General Student Regulations);
 - 2.3.4. they pay their tuition fees in full or make arrangements for payment that are acceptable to the University before enrolment;
 - 2.3.5. they accept to be bound by all relevant regulations, procedures, policies and codes of conduct applicable to students, including but not limited to the Academic Regulations, these General Student Regulations and any relevant Course Specific Regulations;
 - 2.3.6. they can demonstrate that they are legally entitled to study in the UK;
 - 2.3.7. they acknowledge receipt of the University's data protection privacy notice.
- 2.4. Notwithstanding the requirements of clause 2.3.2, the Director of Student Journey may permit an offer-holder to register as a student and enrol subject to the condition that the required evidence is provided within a certain period of time and in any event no later than one month after their registration. If the student fails to provide satisfactory evidence within the period stipulated their registration shall be terminated.
- 2.5. Notwithstanding the requirements of clause 2.3.4, the Director of Finance may permit an offer-holder to register as a student and enrol subject to the condition that their tuition fees are paid in full or arrangements for payment that are acceptable to the University are made within a certain period of time and in any event no later than one month after their registration. If the student fails to pay in full or make acceptable arrangements within the period stipulated their registration shall be terminated.
- 2.6. The University Secretary may publish additional rules and/or policies relating to the registration of offer-holders who are under 18 on the day of registration (referred to in these regulations as the "Under 18s Code"), which may include (but is not limited to) additional requirements, permissions or conditions. An offer-holder who is under the age of 18 on the day of registration may only register and enrol in accordance with the Under 18s Code.
- 2.7. A person who is not registered as a student may not enrol or re-enrol on a programme of studies.

3. Subsequent Enrolment

- 3.1. A student is entitled to re-enrol for the subsequent academic year or session provided that they:
 - 3.1.1. are registered as a student of the University and they/their registration has not been suspended (or if they are suspended that the suspension will expire before the start of teaching on the programme of studies for which they wish to re-enrol);
 - 3.1.2. are in good financial standing with the University. Good financial standing means that the student does not owe the University any money in respect of tuition fees. The University at its discretion may permit a student to enrol despite the fact they owe the University money and enrolment should not be considered proof that no money is owed or that any outstanding debt will not be enforced;
 - 3.1.3. remain fit to study;
 - 3.1.4. have made sufficient academic progress in accordance with the Academic Regulations; and
 - 3.1.5. have paid their tuition fees for the forthcoming year in full or made arrangements for payment that are acceptable to the University before enrolment.
- 3.2. A student will not be permitted to re-enrol after the Friday of the second week of scheduled teaching.
- 3.3. A student's right to re-enrol is subject to the Academic Regulations, these General Student Regulations and any relevant Course Regulations (which set out circumstances when a student may not be permitted to re-enrol).
- 3.4. Subject to any changes made in accordance with the General Regulations re-enrolment is subject to the regulations prevailing at the time of the student's initial registration.
- 3.5. The University may only allow a student to re-enrol on academic probation, where conditions will be applied to their re-enrolment to ensure their engagement (including, but not limited to, attendance) with their Course.
- 3.6. Where a student has been suspended by the University for outstanding tuition fees or cannot re-enrol because of outstanding tuition fee debt and the tuition fee debt is paid after the last date of enrolment, they shall not normally be permitted to re-enrol until the next enrolment point for their course.
- 3.7. If a student does not re-enrol within 2 calendar months of their expected re-enrolment date and they have not applied for intermission, their registration may be terminated at the discretion of the Director of Student Journey.

5. Break of studies

General

- 5.1. Taking a break from studies encompasses three processes, namely:

- 5.1.1. Interruption - an approved break from studies whilst a student is not enrolled (made pursuant to clause 5.12);
- 5.1.2. Intermission - an approved break from studies whilst a student is enrolled (agreed pursuant to clause 5.13); or
- 5.1.3. Exceptional Changes to a Programme of Study – variation(s) to a student's programme of modules or its assessment in response to exceptional, unforeseen circumstances during their studies (agreed pursuant to 5.17).

A break in studies is not intended for short absences of 3 weeks or less; in such cases an authorised absence can be requested pursuant to section 4 regulation 3.2 of the General Student Regulations).

- 5.2. Research degree students should refer to the provisions for intermitting their studies as detailed in Sections 5.2 and 5.3 of the Academic Regulations and this regulation 5 shall not apply to them.
- 5.3. Should a student wish to apply for a break in studies, an application must be made to the Director of Student Journey. The Director of Student Journey may refuse any request for a break from studies.
- 5.4. The minimum period for a break from studies shall be:
 - 5.4.1. Until the start of the next semester for courses principally following a semester based pattern of module delivery; or
 - 5.4.2. until the start of the next academic year, for courses principally following a year-long module structure.
- 5.5. The maximum permitted break from studies shall normally be one year. Any exceptional request above one year must be approved by the Director of Student Journey who may approve a maximum total break, during the course of a student's registration, in excess of one year.
- 5.6. A break from studies shall be counted as part of the stated period of registration for the award/course a student is enrolled on as will any unauthorised periods where a student is not enrolled.
- 5.7. Students whose residence in the UK is only permitted by the terms of a student visa cannot remain resident in the UK during a break from studies. The University will notify the relevant authorities if a break is agreed under these provisions. A student's return from a break in studies is subject to their right to continue studying in the United Kingdom; approval of a break in studies does not guarantee that a student will be permitted to return if the immigration rules (or other relevant legal requirements) mean that they do not have the right to study in the UK. A student's immigration status may affect how long they have to complete following a break in studies.
- 5.8. During a break from studies a student will remain registered as a student, but will not normally have access to University facilities and premises, but may be granted limited access at the discretion of the Director of Student Journey.

- 5.9. If, during an approved break, a student intends to resume their studies at the start of a semester or for the reassessment period, they must inform the Director of Student Journey in writing of their intention to do so.
- 5.10. A student who fails to resume their studies after the end of the agreed period of the break from studies will be deemed to have withdrawn and will have their registration as a student terminated.
- 5.11. The Director of Student Journey may impose conditions in respect of a student's return to studies.

Interruption

- 5.12. A student who wishes to take a break from his/her studies after the completion of an academic year for the following year (for example during the summer vacation period), must notify the University, via completion of the prescribed form or through online reenrolment, of their intention to take a break before they enrol and must specify the duration of their intended break from studies (refer regulations 5.4 and 5.5 above).

Intermission

- 5.13. Where an enrolled student's ability to complete their programme of studies is severely affected by circumstances which could not have been reasonably foreseen they may formally request an approved break from studies (intermission) provided such request is received before the University's published deadline for such requests.
- 5.14. A request for intermission shall be made by completing and submitting the prescribed Taking a Break from Studies Request Form, by the relevant published University deadlines. The Request shall include all relevant, supporting evidence and confirmation from the student that all necessary advice has been sought in respect of the implications of break in studies being approved.
- 5.15. Requests for intermission shall be considered by the Director of Student Journey and a senior member of the School in which the student is based.
- 5.16. Students should continue to attend while a decision on their request for intermission is pending.

Exceptional Change to a Programme of Study

- 5.17. Where an enrolled student's ability to complete their programme of studies is severely affected by circumstances which could not have been reasonably foreseen, but the student has not applied for intermission prior to the University's published deadline for intermission requests, they may formally request a change in their programme (Exceptional Change to a Programme of Study).
- 5.18. An Exceptional Change to a Programme of Study request shall be made by completing and submitting the Taking a Break from Studies Request Form, The request shall include all relevant, supporting evidence and details of the requested variation(s) to the student's programme.

- 5.19. Requests for an Exceptional Change to a Programme of Study shall be considered by the Director of Student Journey and a senior member of the School in which the student is based.
- 5.20. Students should continue to attend while a decision on their request for an Exceptional Change to a Programme of Study is pending.

1. Application and relationship with other Regulations

- 1.1. These International Students Regulations apply to any applicant, offer-holder, or student who requires immigration permission to enter or remain in the UK.
- 1.2. In case of conflict between these International Students Regulations and any other regulations, these International Students Regulations supersede any other requirements.

2. Admission Requirements

- 2.1. If an applicant is not a national of a majority English speaking country, as defined in Appendix B of the UK Immigration Rules, in addition to any other admission requirements they will be required to achieve specific levels in one of the acceptable English language tests or other alternative approved by the University for entry onto the relevant course. Acceptable English language tests, other approved tests and the scores required to be issued with an unconditional offer are published on the University's website.
- 2.2. If an applicant is not a national of a majority English speaking country, as defined in Appendix B of the UK Immigration Rules and is applying for a course that is below degree level (such as a pre-sessional English course or foundation course) the applicant will require a Secure English Language Test (SELT) certificate from an approved test provider demonstrating that they have reached the required levels in addition to any other admission requirements. The approved providers are listed in Appendix O of the Immigration Rules.
- 2.3. An applicant will be exempt from the English language test, (or other approved test) score requirement if they have studied and successfully completed a bachelor degree at a recognised institution authorised to issue bachelor degrees, in the UK or Ireland or in one of the countries defined in Appendix B of the UK Immigration Regulations as a majority English speaking country, except Canada.
- 2.4. The University requires satisfactory evidence of all students' qualifications, including a valid / verifiable language certificate/SELT where indicated, in order to issue such an applicant with an unconditional offer. Such applicants will be required to provide official transcripts or certificates that are clear and legible copies authenticated by the issuing organisation.
- 2.5. Admissions decisions are taken by the University in good faith on both the basis of qualifications provided and statements made in a student's application. If it is discovered that a false statement has been made or significant information has been omitted from a student's application form, the University may withdraw or amend its offer, refuse or withdraw sponsorship and terminate the student's enrolment at the University, according to the circumstances
- 2.6. If an applicant will require a Tier 4 (General) Student visa to study in the UK, receipt of an academic offer does not guarantee that such an applicant will be assigned a Confirmation of Acceptance for Studies (CAS).

- 2.7. The University is obliged to comply with guidance published by the UK Visas and Immigration in respect of how the sponsorship process is administered. In line with this guidance, the University must only assign a CAS to a student that they reasonably believe will go on to meet the requirements of the Tier 4 category under which the CAS is assigned. With this in mind the applicant's immigration status, immigration history, application and evidence will be assessed in accordance with the Tier 4 requirements, the Immigration Rules, published guidance and Home Office practice.
- 2.8. The University reserves the right to refuse a CAS even if the applicant meets all of the academic entry requirements if it does not reasonably believe that the applicant will go on to meet the requirements of the Tier 4 category under which the CAS is assigned.
- 2.9. The University reserves the right to refuse a CAS in order to support Variations of Applications of leave to remain.

3. Issue of Confirmation of Acceptance for Studies

- 3.1. Before any CAS will be issued:
 - 3.1.1. All applicants or offer-holders, who intend to fund their studies by US Federal Direct Loan funding must:
 - 3.1.2. have applied for Federal Direct Loan funding by the loan application due date publicised on the University's US Financial Aid website; and
 - 3.1.3. pay a deposit of £1,000.
 - 3.1.4. Any other International applicant or offer-holder (including those who intend obtain loan funding through private loan funding organisations/banks (or any US non-federal loan program)) must pay a deposit of 50% of the full listed annual tuition fee.
- 3.2. An International applicant or offer-holder will not be required to pay the mandatory deposit as indicated above if they have been awarded a full scholarship by London Metropolitan University
- 3.3. Requests for refunds of any deposit paid will be dealt with in accordance with the University's Fees Regulations.
- 3.4. If an International student is eligible for any partial scholarship awarded by London Metropolitan University (for example, a country specific scholarship), this amount is deductible after their enrolment from the tuition payment that remains payable.
- 3.5. If an International Student is sponsored by a recognised and approved* sponsorship body (The British Council, Governmental or its authorised agencies or employer), the sponsor will be required to supply evidence confirming that they are responsible for the payment of tuition fees for the duration of their course. (*an approved sponsor is one that is recognised by the University or one that has been granted approval by the University)
- 3.6. International Students who are allowed to enrol on a course with a visa that expires before the end date on their course, do so at their own risk. It is the responsibility of

such students to ensure that they will be able to meet all of the requirements required in order to extend their current immigration permission, or meet the requirements in order to successfully obtain a Tier 4 visa in order to complete the course in the UK. In some cases, this might require the student to return home and reapply for a new visa to come back to the UK. The University reserves the right to refuse to issue a CAS for a student to complete their course if all of the requirements under Tier 4 are not met or if the student's attendance, progression or engagement since enrolment has been unsatisfactory.

4. Enrolment

- 4.1. All International offer-holders will be required to present their original current passport or travel documents and valid UK visa for verification at enrolment. If an International offer-holder cannot present these documents at the time of enrolment, they may only be allowed to enrol at the discretion of the Immigration and International Student Advice Manager. If the offer holder is awaiting the outcome of an immigration application the decision to enrol will be dependent on the status and type of application, original documentation held and may require the University to undertake an immigration check with UK Visas and Immigration before the enrolment can be completed.
- 4.2. All International offer-holders will be required to present the originals of all qualification documentation used in the issue of their study offer for verification at enrolment.
- 4.3. For each academic year of study, all International Students are required to pay tuition fees, as notified to them by the University. Unless stated otherwise, the tuition fee quoted in any offer letter does not include any charges for residential accommodation, examination retakes in accordance with the University's usual policy, extensions to the designated period of study or travelling expenses and other miscellaneous expenses which may be related to a programme of study.

5. After Enrolment

- 5.1. All International Students must inform the University of their UK contact details (UK residential address and telephone number) and immediately inform the University of any changes to their contact details.
- 5.2. All International Students are required to attend all lectures, tutorials, examinations and other activities which form part of their programme of study/course. This includes the requirement to submit all pieces of assessed work on time.
- 5.3. All International Students' attendance will be monitored for the duration of their courses and failure to meet satisfactory attendance requirements will result in further action including warnings and withdrawal of sponsorship and termination.
- 5.4. If a student requires a CAS to support an extension of leave in order to continue a course, the University will consider the student's attendance, progression and engagement to date. The University reserves the right to refuse a CAS for a student

to complete their course if all of the requirements under Tier 4 are not met or if the attendance, progression or engagement is deemed unsatisfactory.

- 5.5. All International Students on a Tier 4 Student Visa and sponsored by the University under Tier 4 of the Points Based System (PBS), will be subject to the reporting requirements set out by the Home Office in the Tier 4 Sponsor Guidance. If any such International Student fails to meet all of the attendance requirements as laid down in that guidance, is withdrawn, suspended, or intermits, the University is obliged to report this action to the Home Office in line with the Guidance and sponsorship of their Tier 4 visa will be withdrawn.
- 5.6. All International Students must adhere/comply to the conditions of their visa at all times. The University is legally required to report to the Home Office any student who breaches the conditions of their UK visa, whether sponsored by the University or not.
- 5.7. All International Students must inform the University immediately if their immigration status changes at any time and provide the University with copies of all correspondence that they receive from the Home Office in relation to their current immigration status, if they leave the UK permanently or switch into another immigration tier.

6. International Students who are under 18

- 6.1. Where an International student will be under 18 at the time of registration and enrolment, in addition to the requirements of the under-18 code, their parent/legal guardian will be required to:
 - 6.1.1. Provide their written consent for the student to study at the University.
 - 6.1.2. Where the student does not already have a parent/legal guardian living in the UK, nominate a legal guardian for the student in the UK (who must be a relative or a person whom the student's parent/legal guardian nominates as the student's guardian while the student is under the age of 18 in the UK) in accordance with the University's policy on the admission of students under the age of 18.
 - 6.1.3. Provide the student's arrival details from their home country before the start of the course including travel details and arrival meeting arrangements.
 - 6.1.4. Provide the student's UK accommodation details.

1. Policy Statement

This paragraph 1 is a statement of policy and is not intended to have binding effect.

- 1.1. The University welcomes students from a wide variety of backgrounds and aims to provide a supportive learning environment in which students can fulfil their potential. It recognises that some of its applicants and students:
 - 1.1.1. may have unspent criminal convictions;
 - 1.1.2. may have spent criminal convictions that may be relevant in relation to their proposed course of study;
 - 1.1.3. may be charged with a criminal offence during the course of their study;
 - 1.1.4. may be convicted of a criminal offence during the course of their study;
 - 1.1.5. may apply for a course that has professional body accreditation or involves certain regulated activities, which requires a [*Enhanced*] Disclosure and Barring Service (DBS) check and therefore the disclosure of spent and unspent criminal convictions that are not eligible for filtering.
- 1.2. The University aims to treat all such students fairly, while having due regard for its duty of care to all members of the University community - students and staff. The University aims to support those with criminal convictions and disclosure of a conviction does not automatically result in the withdrawal of an offer or the termination of registration.
- 1.3. For a number of professionally accredited courses, whether or not they require a DBS check associated with placements or other activities, the standard of good conduct expected of students may be higher than those of other, non-accredited courses. Consequently, the University may impose stricter criteria both for admission and for remaining on such courses.
- 1.4. The University expects and requires its applicants and students to be honest, open and to disclose their status with regard to criminal convictions appropriately and in accordance with this Policy. Any failure to disclose this status to the University will, of itself, be regarded as a serious breach of trust and honesty and is likely lead to summary exclusion from the institution, regardless of the nature of the actual conviction.
- 1.5. In relation to all aspects of these regulations, the key points the University will consider when making a judgement are set out below:
 - 1.5.1. the seriousness of any offence or other matter revealed;
 - 1.5.2. the length of time since the offence or other matter occurred;
 - 1.5.3. whether the individual has a pattern of offending behaviour or other relevant matters;
 - 1.5.4. whether the individual's circumstances have changed since the offending behaviour or other relevant matters occurred;
 - 1.5.5. the circumstances surrounding the offence and the explanation(s) offered by the convicted person;

- 1.5.6. whether the course of study has any professional accreditation or registration which would limit or prescribe or exclude the recruitment of students with an offending history; and
- 1.5.7. if related to a Relevant Placement, whether the conviction or other matter revealed is relevant to that placement.

2. Applicants who have an unspent criminal conviction

2.1. Disclosure prior to offer or admission

- 2.1.1. Applicants who have an unspent criminal conviction(s), must disclose these in accordance with these regulations at the earliest stage and before an offer is made of a place on a course.
- 2.1.2. In accordance with the Rehabilitation of Offenders Act 1974, applicants who have a spent criminal conviction(s) and who are applying for courses which do not involve a Relevant Placement or Relevant Activities are not required to disclose the spent convictions.
- 2.1.3. When an applicant has an unspent conviction and declares it prior to receiving an offer, they will be asked to give a full and frank account of the conviction to the member of admissions staff, who will then inform the course leader and Head of School. The Head of School and the course leader will then determine whether not to reject the applicant or to recommend that the applicant be made an offer or, if an offer-holder, be permitted to register as a student.
- 2.1.4. If the Head of School and the course leader determine to reject the applicant/offer-holder this will be at their absolute discretion and not subject to any right of appeal.
- 2.1.5. If they wish to recommend that the applicant be made an offer or the offer-holder be permitted to register as a student, the Head of School will refer the matter to the Director of Student Journey for a final decision. The decision of the Director of Student Journey is final and there is no right of appeal.

2.2. Failure to disclose

- 2.2.1. All offers of a place on any course at the University are conditional upon the:
 - 2.2.1.1. the applicant disclosing all unspent criminal convictions in accordance with these regulations; and
 - 2.2.1.2. the applicant complying with these regulations.
- 2.2.2. Any failure to disclose an unspent criminal conviction, before an offer of a place is made or at any time after, will be regarded as a serious act of misrepresentation and an attempt to deceive or mislead the University.
- 2.2.3. Where an offer-holder or student has failed to disclose an unspent criminal conviction, or has otherwise failed to comply with these

regulations, the Director of Student Journey may withdraw their offer or terminate their registration. No refund of fees paid will be given in the event of termination.

- 2.2.4. A failure to disclose a previous conviction may also amount to a criminal offence and the University may report this to the Police.

3. Applicants who have a spent criminal conviction applying to Relevant Courses &c

3.1. Disclosure prior to offer or admission

- 3.1.1. Relevant Courses are those which have particular professional body accreditations or involve a Relevant Placement and are exempt from the Rehabilitation of Offenders Act 1974. Relevant Courses include (but are not limited to) Social Work, Dietetics, Teacher Training courses and other courses that involve working with children.
- 3.1.2. In accordance with the Rehabilitation of Offenders Act 1974, applicants who have an unspent criminal conviction(s) that are eligible for filtering are not required to disclose those convictions that are eligible for filtering.
- 3.1.3. Applicants who apply to the University to study Relevant Courses who have a spent criminal conviction(s) that is not eligible for filtering are required to disclose all unspent and spent criminal convictions that are not eligible for filtering at the earliest stage and before an offer is made of a place on a course.
- 3.1.4. When an applicant has a spent conviction that is not eligible for filtering and declares it prior to receiving an offer, they will be asked to give a full and frank account of the conviction to the member of admissions staff, who will then inform the course leader and Head of School. The Head of School and the course leader will then determine whether not to reject the applicant or to recommend that the applicant be made an offer or, if an offer-holder, be permitted to register as a student.
- 3.1.5. If the Head of School and the course leader determine to reject the applicant/offer-holder this will be at their absolute discretion and not subject to any right of appeal.
- 3.1.6. If they wish to recommend that the applicant be made an offer or the offer-holder be permitted to register as a student, the Head of School will refer the matter to the Director of Student Journey for a final decision. The decision of the University Secretary is final and there is no right of appeal.

3.2. Failure to disclose

- 3.2.1. All offers (including “unconditional offers”) of a place on a Relevant Course or a course that involves a Relevant Placement are conditional upon:

- 3.2.1.1. The applicant disclosing all unspent convictions in accordance with these regulations; and
- 3.2.1.2. the applicant applying for a Relevant Course disclosing and spent criminal convictions that are not eligible for filtering; and
- 3.2.1.3. the applicant complying with these regulations.
- 3.2.2. If a student fails to disclose any spent or unspent criminal conviction(s) that was not eligible for filtering before an offer is made, or at any time after, this will be regarded as a serious act of misrepresentation by the student and an attempt to deceive or mislead the University.
- 3.2.3. Where a student fails to disclose an unspent conviction or spent criminal conviction that was not eligible for filtering, or has otherwise failed to comply with these regulations, the Director of Student Journey may withdraw the offer or terminate their registration on the basis that these conditions have not been fulfilled. There be no refund of any fees already paid.
- 3.2.4. A failure to disclose a previous conviction may also amount to a criminal offence and the University may report this to the Police

4. Students participating in a course which is a Relevant Course and/or involves a Relevant Placement

- 4.1. For the avoidance of doubt the University will apply for the relevant DBS disclosure for students who have enrolled on any course that is a Relevant Course and/or involves a Relevant Placement, whether those placements are mainly supervised or unsupervised.
- 4.2. It is a condition of continuing on these courses that students consent to the University applying for the relevant DBS check. Continued study on courses covered by this Policy is conditional upon the University Secretary being satisfied with the following:
 - 4.2.1. the DBS disclosure;
 - 4.2.2. that a student is not barred from working with children and/or vulnerable groups or in a regulated activity; and
 - 4.2.3. such other checks that the University or a placement provider is required to complete or undertake from time to time.
- 4.3. The University will normally apply for a DBS disclosure prior to an individual undertaking a Relevant Placement. The disclosure must have been reviewed and be deemed satisfactory by the University and the placement provider before the placement can begin.
- 4.4. Students must show their DBS disclosure to University staff when it is received by the student.
- 4.5. Students must consent to the University making a copy of the DBS disclosure, which it will store in accordance with the Data Protection Act 1998.

- 4.6. Students must retain their DBS disclosure for the duration of the course and must make it available to placement providers if requested by the Director of Student Journey, University Secretary or the placement provider.
- 4.7. Students are advised, but not obliged, to subscribe to the DBS Update Service.
- 4.8. Students who subscribe to the Update Service must consent to status checks. The University would consider the refusal to consent to status checks as failure to disclose.
- 4.9. If a further DBS check is required for a student who has not subscribed to the DBS Update Service the student must meet the full cost of the additional check.
- 4.10. Students will not ordinarily be required to provide or apply for a further DBS disclosure during the course unless
 - 4.10.1. a DBS status check reveals a change; or
 - 4.10.2. a status check is required and the student has not subscribed to the DBS Update Service.
- 4.11. It is a condition of enrolment that students consent to the University discussing the information contained in the DBS disclosure or status check with any placement provider. Students may be required to attend an interview with the placement provider to discuss the information contained in the disclosure or status check before a final decision on suitability can be taken.
- 4.12. In the event that relevant information about a student (whether in relation to previous convictions or otherwise) is obtained through a DBS check or DBS status check during the course of study, the University Secretary will determine how to proceed.
- 4.13. If an individual wishes to dispute any information contained in a disclosure, they can do so by contacting the DBS directly.

5. Students who commit criminal offences or are involved in other pertinent matters during their study

- 5.1. All students are under a continuing duty to immediately notify their personal tutor or Head of Department:
 - 5.1.1. if they are charged or convicted of any criminal offence; or
 - 5.1.2. if they receive a police caution, reprimand or warning.
- 5.2. The Course Leader or Head of Department shall in turn inform the Head of School.
- 5.3. In the event that relevant information about a student (whether in relation to previous convictions or otherwise) is volunteered by a student during the course of study, the Head of School will consult with the University Secretary as to how to proceed.
- 5.4. The University Secretary will determine what action shall be taken including whether matter is misconduct under the Student Conduct Regulations or whether action should be taken under regulation 5.5.

- 5.5. Where a student has been convicted of an offence and receives a custodial sentence of 24 months or more, the University Secretary may terminate a student's registration.
- 5.6. In addition to the obligations under regulation 5.1 above, a student enrolled on a course which has professional body accreditation and/or is a Relevant Course and/or involves a Relevant Placement, must also immediately notify their Course Leader or Head of Department:
 - 5.6.1. if there is a formal child protection investigation of the student or any member of their household or,
 - 5.6.2. if they are barred from working with children or vulnerable groups or in a regulated activity or;
 - 5.6.3. if they are the subject of a referral to the DBS;
- 5.7. The Course Leader or Head of Department shall in turn inform the Head of School.
- 5.8. In the event that relevant information about a student (whether in relation to previous convictions or otherwise) is volunteered by a student during the course of study, the Head of School will consult with the University Secretary as to how to proceed.
- 5.9. The University Secretary will then determine what action shall be taken, including whether matter is misconduct under the Student Disciplinary Regulations and/or whether any action should be taken under the relevant Course Specific Regulations (for example, Fitness to Practise).

Part 1 - Fees

1. Fees

- 1.1. In these Fees Regulations, the term 'Fees' refers to any sum payable by a student in respect of tuition, supervision, assessment or conferment.
- 1.2. Fees are set by the Vice-Chancellor.
- 1.3. Fees are subject to annual revision. Changes to Fees in respect of Continuing Students will be limited to the greater of the annual change in the Retail Price Index or 5% per annum.
- 1.4. Where a student changes their mode of attendance (from part time to full time or vice versa) they will not be considered a Continuing Student and the fee for a new student in the year the student's mode of attendance is changed will apply.

2. Incurring fees

- 2.1. Fees are incurred on enrolment for the whole of each year of academic study or for each module taken.
- 2.2. Fees are incurred immediately on enrolment – there is no 'fee free' period. This does not affect any statutory right the student has to cancel their enrolment within 14 days, unless that right has been waived.

3. Payment

- 3.1. It is the student's responsibility to pay their Fees. In the event that any personal sponsor, sponsoring company or authority or the Student Loans Company (SLC) fails to pay the Fees the student remains liable to pay the Fees;
- 3.2. Pursuant to section 2 regulation 2.3.4 of the General Student Regulations, all students must pay their Fees in full or make arrangements for payment that are acceptable to the University before enrolment for each academic year;
- 3.3. The following arrangements are usually acceptable to the University:
 - 3.3.1. Funding by tuition fee loan from SLC, provided the University receives confirmation of funding from the SLC at or before enrolment. If this confirmation is not provided at enrolment, then the student must provide the University with proof of application to the SLC at enrolment. The student remains responsible for fee payment in the event that the SLC does not agree to pay the fee;
 - 3.3.2. Agreement from a sponsor (for example a student's employer) that the sponsor will assume responsibility for payment of the student's fees. The student must provide the University with a purchase order from the sponsor showing the total value of fees that the sponsor will pay. This purchase order must be provided at or before enrolment. Payment terms require payment within 30 days of the invoice to the sponsor. The student

remains responsible for fee payment in the event of default by their sponsor;

- 3.3.3. Two equal instalments: 50% on enrolment and 50% by 31 December (31 May for Spring Term starters);
 - 3.3.4. Four instalments: 50% on enrolment, then three equal payments on the last working day of the month commencing in October (March for Spring Term starters); or
 - 3.3.5. 7 equal monthly instalments on the last working day of the month commencing in October
- 3.4. The University may decline to accept any of the methods set out in regulation 3.3 above (especially (but not exclusively) where the student has previously defaulted on a payment arrangement or the fees are below a minimum amount), in which case the fees shall be payable in full before enrolment.
- 3.5. It is the student's responsibility to make any arrangements with any person providing them with a loan to fund their Fees (including Student Finance England or other body). The University will cooperate with any reasonable request that the student makes for information to be provided to any person providing them with a loan to fund their Fees, but the University does not accept any responsibility for any delay or failure of person providing the student with a loan to make payments.

4. Refunds

- 4.1. This regulation 4 does not apply should a student exercise their statutory right to cancel their enrolment within 14 days, in which case no fees or charges will apply and any monies paid will be refunded. The right to cancel may be waived in accordance with the applicable legislation.
- 4.2. Deposits paid by a student are not refundable or transferable.
- 4.3. In exceptional circumstances, the Director of Finance, Director of Student Journey or University Secretary may agree a refund or partial refund of fees or deposits paid on intermission, withdrawal or other termination of a student's studies.
- 4.4. Any such refund will be subject to a minimum charge retained by the University of 25% of the annual fees due. A reasonable administration fee (such as bank transfer fees or staff costs) may also be retained in the event of a refund.
- 4.5. Any such refund is subject to the student:
 - 4.5.1. Providing evidence that they have complied with any relevant immigration regulations; and
 - 4.5.2. Returned all items belonging to the University to the University.
- 4.6. In respect of undergraduate and taught postgraduate students who enrolled in the Autumn Term where they intermit, withdraw or their studies are terminated:
 - 4.6.1. before the start of the Spring Term, then 75% of the Fees shall be refunded;

- 4.6.2. before the start of the Summer Term, then 50% of the Fees shall be refunded;
- 4.6.3. on or after the start of the Summer Term, then no refund shall be given.
- 4.7. In respect of undergraduate and taught postgraduate students who enrolled in the Spring Term where they intermit, withdraw or their studies are terminated:
 - 4.7.1. before the start of the Summer Term, then 75% of the Fees shall be refunded;
 - 4.7.2. on or before the end of the Summer Term, then 50% of the Fees shall be refunded;
 - 4.7.3. after the end of the Summer Term, then no refund shall be given.
- 4.8. In respect of postgraduate research students then any refund calculated pro rata based on a 12 month year from the scheduled start of the relevant academic year (that is 100% of the fees will be retained and no refund given 12 months after the scheduled start of the relevant academic year), subject to retention of minimum charges and fees set out in regulation 4.4.
- 4.9. In respect of students on distance learning or short courses, subject to regulation 4.1, no refunds shall be given.
- 4.10. Refunds will only be made to the bank account or credit card from which they were paid to the University.
- 4.11. Any library or other borrowing charges due to the University will be deducted from the amount of any refund.
- 4.12. Repayment of any scholarship, grant, fee discount or fee reduction that is repayable (whether wholly or in part) on withdrawal or other termination of a student's studies shall be deducted from the amount of any refund.

5. Failure to Pay

- 5.1. If a student does not pay their fees or defaults on an arrangement for payment of the Fees that they have made with the University, the University may:
 - 5.1.1. exclude the student from their course of study (exclusion means that the student will not be allowed to access the University's buildings or IT systems, they will not receive the marks awarded for any assessments and will not receive any award). The University will permit access to allow the student pay their fees. The student may request permission to attend to sit exams and can submit coursework by post, but no marks will be given while the exclusion remains in place;
 - 5.1.2. terminate the student's registration as a student;
 - 5.1.3. may take legal action for the recovery of outstanding fees, legal costs (including court fees and solicitors and advocates fees), administration fees and interest from the date the Fees were incurred (pursuant to section 69 of the County Court Act 1984 or similar provisions in UK or foreign legislation) whether or not the student is currently registered as a

student of the University. The University may also take such action in the student's home jurisdiction (if applicable);

- 5.1.4. cancel marks gained whilst the student is excluded for tuition fee debt;
 - 5.1.5. refuse to confer an award or may not confirm the conferment of an award by issuing a certificate (for the avoidance of doubt issuing a certificate is not proof that no fees remain payable);
 - 5.1.6. withhold or withdraw any invitation to or participation in in a graduation ceremony;
 - 5.1.7. not permit the student to re-enrol or to enrol on a new programmes of study until the debt is paid is full. (for the avoidance of doubt permitting re-enrolment or enrolment on another course is not proof that no fees remain payable).
- 5.2. Notwithstanding any action taken under regulation 5.1, any outstanding fees remain due for payment.

Part 2 – Bursaries

6. Grant of a Bursary

- 6.1. Whenever the University agrees to grant a bursary to a Student this Part 2 shall apply unless otherwise expressly excluded in whole or in part.
- 6.2. The Student's eligibility to be granted a bursary is determined on the basis of information supplied by the Student to the Student Loans Company (other than in the case of Part Time or Scottish domicile students). The grant of a bursary shall not be prejudiced in the event that the Student's circumstances change during the Academic Year even if those circumstances would have rendered the Student ineligible for the student finance had they prevailed at the date of application.
- 6.3. Information in relation to eligibility must be received by:
 - 6.3.1. 31 March for those originally commencing study in the Autumn term
 - 6.3.2. 29 July for those originally commencing study in the Spring term
- 6.4. Subject to the conditions set out below, a Student who has been granted a bursary in one academic year shall not automatically be granted a bursary in subsequent academic years of the Student's registration as an undergraduate at the University.  - 7.1.1. in the October and February of the Academic Year for those originally commencing study in the Autumn term

- 7.1.4. in June an additional payment will be made for those originally commencing study in the Spring term and in receipt of the Care Leaver Bursary
- 7.2. Those students whose study originally commenced in the Spring term will maintain this payment schedule throughout subsequent academic years in line with their Tuition payments.
- 7.3. Payment of bursary is administered by the SLC and the University shall not be liable to the Student whatsoever for any delay or error in relation to the payment of the Award or the non-payment of the same.
- 7.4. The University reserves the right to withhold payment of all or part of a bursary in the event the Student has failed to pay the tuition fees for the Academic Year (or failed to make arrangements for such payment acceptable to the University).

8. Termination of the Bursary

- 8.1. In any of the circumstances set out in this clause below a bursary shall be withdrawn and the University shall make no (or no further) payments of the bursary:
 - 8.1.1. the Student permanently leaves the University due to illness (whether or not following a leave of absence)
 - 8.1.2. the Student leaves the University voluntarily for reasons other than illness
 - 8.1.3. the Student is required to withdraw from the University pursuant to disciplinary or fitness to practise proceedings.
 - 8.1.4. the Student otherwise fails to complete satisfactorily the requirements of the programme of study.
 - 8.1.5. the Student fails to meet satisfactorily the requirements of attendance which is set at 75% for the applicable academic year.
- 8.2. The University reserves the right to demand the repayment of any instalment or instalments (or part thereof) of a bursary made to the Student during the Academic Year in the circumstances set out in regulations 8.1.2 and 8.1.3

9. Leave of Absence

- 9.1. In the event that the Student takes, or is required to take, Leave of Absence during the Academic Year any payments otherwise due to the Student pursuant to clause 4.1 above shall be suspended until such time as the Student has re-registered.

- 9.2. Upon re-enrolling the Student will be paid the balance of any instalments due from the Academic Year when the Leave of Absence was taken if still within the applicable academic year.
- 9.3. If the Student fails to return to the University after such Leave of Absence then the provisions of regulation 8 above will apply.

10. Miscellaneous

- 10.1. The grant of a bursary will remain valid notwithstanding the Student transferring to another course or programme of study at the University provided that any instalments already made will count towards the grant.
- 10.2. A Student in receipt of a bursary who is required to repeat the Academic Year will not be eligible to receive a further grant in respect of the repeated year at the same or lower level of study.
- 10.3. The eligibility of the Student for a Bursary shall (unless otherwise agreed in writing) only continue for the full duration of the academic year when eligibility will be established again.
- 10.4. Any dispute or complaint arising in connection with the Scheme should in the first instance be addressed in writing to the Head of Academic Services.

1. Introduction

- 1.1. These regulations set down the process by which a student should bring to the University's attention any unforeseen circumstances that prevented them submitting an item of assessed work by the published deadline or prevented them attending an examination, class-test, presentation etc.
- 1.2. The Director of Student Journey (or nominee) has overall responsibility for the Procedures for the submission of Mitigating Circumstances.
- 1.3. No student making a claim under these Procedures, whether successfully or otherwise, shall be treated less favourably than would have been the case had the claim not been made.

2. Fit to Sit and Fit to Submit

- 2.1. Notwithstanding any other provision of these regulations, by submitting work or sitting an examination, class-test, presentation etc. a student is taken to be confirming that they are fit to submit/sit the assessment concerned and any mitigating circumstances claim in respect of the assessment will be deemed invalid unless:
 - 2.1.1. there is clear evidence that the student was not in a fit state to decide whether they were fit to submit/sit the assessment concerned:
 - 2.1.2. there is clear evidence that the student became ill during an exam, class-test, presentation etc. and was not in a fit state to continue with the assessment.

3. Mitigating Circumstances Criteria

- 3.1. Mitigating circumstances are defined by the University as circumstances that are acute, severe, unforeseen and outside a student's control that occur immediately before or during the assessment period in question.
- 3.2. The deadline for submission of a claim for Mitigating Circumstance is two weeks from the published submission date of the component concerned or the date of the examination. Students are however encouraged to submit a claim as soon as practicable. All claims must be submitted to a Student Hub (formerly the Undergraduate or Postgraduate Office).
- 3.3. A claim for Mitigating Circumstances may be submitted in relation to:
 - 3.3.1. non-attendance at an examination;
 - 3.3.2. non-submission of coursework;

4. Validity and Invalidity

- 4.1. Normally, a student may have a mitigating circumstances claim accepted on one occasion only for a particular item of assessed work. The Director of Student

Journey can exceptionally grant one further occasion upon which a mitigating circumstances claim can be accepted.

- 4.2. Any claim supported by false documentary evidence shall be deemed invalid and will lead the University to take action under its disciplinary procedures.
- 4.3. A claim for Mitigating Circumstances must be submitted on the prescribed Mitigating Circumstances Form and must:
 - 4.3.1. Specify the full name of the student;
 - 4.3.2. Specify the correct student ID number;
 - 4.3.3. Specify the title(s) and code(s) of the module(s) affected;
 - 4.3.4. Specify the component(s) affected;
 - 4.3.5. Specify the relevant assessment date(s);
 - 4.3.6. Provide full details of the circumstances, and explain how these circumstances have affected the student;
 - 4.3.7. Be signed and dated by the student, unless it is impossible for the student to sign;
 - 4.3.8. Be received by a Student Hub no later than two weeks from the published submission date of the component concerned or the date of the examination.
 - 4.3.9. Be supported by appropriate, independent documentary evidence:
- 4.4. Claims in relation to non-attendance at an examination normally require evidence to demonstrate mitigating circumstances for the period immediately leading up to the examination and/or the date of the examination in question;
- 4.5. Claims in relation to non-submission of coursework normally require evidence to demonstrate mitigating circumstances for the period immediately leading up to the assessment and/or the published coursework deadline.
- 4.6. Claims submitted without independent supporting evidence will not be considered.

5. Late Submission of Mitigating Circumstances

- 5.1. Claims received after the deadline specified in regulation 3.3.8 will be deemed invalid and will not be considered unless the student has demonstrated good reason, supported by appropriate independent evidence, for any period of delay.

6. Examples as to why a Mitigating Circumstances claim will be rejected

- 6.1. The Head of Academic Services (or their nominee) shall reject claims that do not meet the requirements of regulations 4 and 5.
- 6.2. Without prejudice to the generality of the requirements in regulations 4 and 5, a Mitigating Circumstances claim will be rejected for any of the following reasons:

- 6.2.1. The claim is not supported by appropriate, independent documentary evidence (The original documents must be submitted. They must be signed by an appropriate third party and give details of the circumstance, the date and duration of the period affected and, where possible, its impact on the student. Evidence from medical practitioners must specify the nature of the illness and where possible a confirmed diagnosis by the practitioner who saw the student at the onset of illness. The date of such medical evidence is critical to the consideration and post-dated certificates and evidence is not accepted). For non-UK death certificates, the University may require a notarised and legalised copy of the certificate or similar corroboration of its authenticity.
 - 6.2.2. The claim does not relate, in terms of timing, to the examinations or submission dates affected.
 - 6.2.3. There are reasonable grounds to believe that the circumstances could have been avoided by the student, or the student could reasonably have been expected to take steps to limit the impact of the circumstances (Examples include: leaving coursework to the last minute; missing the deadline because of computer problems or late transport; failure to make alternative travel plans when disruptions were known in advance; losing work which had not been backed up on disc).
 - 6.2.4. The claim results from misreading or ignorance of the University's examination timetable, or of instructions regarding the submission of coursework.
 - 6.2.5. There are reasonable grounds to believe that the circumstances described would not have prevented the student from taking the examination(s) and/or submitting the assignment(s) by the published assignment deadline date(s).
- 6.3. Please note that the examples listed are not exhaustive, but refer to the most common reasons for invalidation or rejection of a claim. Students are advised to refer to the Mitigating Circumstances FAQ and Student Guidance notes on the University's website at: www.londonmet.ac.uk/mitigation for further details and information.

7. Consideration of a Mitigating Circumstances Claim

- 7.1. Claims that have not been rejected under regulation 6 shall be considered by a Mitigating Circumstances Panel. Members of the panel shall be appointed by the Director of Student Journey.
- 7.2. Each valid claim shall be assessed against the Mitigating Circumstances Criteria in regulation 3. If a claim relates to more than one item of assessment, the circumstances relating to each item of assessment shall be considered individually against the criteria in regulation 3.

8. Outcomes of consideration

- 8.1. Claims which demonstrate that the criteria in regulation 3 have been met shall be accepted. The student will be given the opportunity to be assessed at the next assessment point in the component(s) in question. This attempt shall replace the opportunity to which the mitigating circumstances pertained.
- 8.2. Claims which do not demonstrate that the criteria in regulation 3 has/have been met shall be rejected. Claims in respect of non-attendance at an examination/non-submission of coursework– a mark of zero will be awarded in the component concerned. If the claim relates to a first assessment, a student shall have the opportunity to undertake reassessment in the component concerned.
- 8.3. All Mitigating Circumstances outcomes shall be communicated by the Student Journey to the relevant Subject Standards Board.
- 8.4. Mitigating Circumstance outcomes shall be published via Evision as soon as practicable following the decision of the Mitigating Circumstances Panel and prior to publication of the relevant module results. Students will be notified by email when the outcome is available; this will normally be within one month of the University receiving the claim, however, where this proves not to be possible, the student will be notified of the progress of the consideration of the claim.

9. Review of rejected claims

- 9.1. Where a claim is rejected whether by the Head of Academic Services (or their nominee) or Mitigating Circumstances Panel, a student can request a review of the process undertaken in reaching the decision. The deadline for submitting a request for a review is two weeks from the notification of the mitigating circumstances outcome, published via Evision. Requests for a review submitted after this deadline will be deemed invalid unless the student demonstrates good reason, supported by appropriate independent evidence, for the delay. The student should set out her/his concerns clearly and succinctly and where possible provide evidence to substantiate the issues raised. The review will not entail a reconsideration of the claim, but will confirm that the appropriate procedures were followed and that the decision to reject the claim was reasonable. The review stage will not usually consider issues afresh or involve a further investigation. The request may include, but is not limited to:
 - 9.1.1. A review of the procedures already followed;
 - 9.1.2. A consideration of whether the outcome of the claim was reasonable in all circumstances;
 - 9.1.3. Consideration of new relevant evidence, which the student was unable, for valid reasons, to provide earlier in the process.
- 9.2. The review will be undertaken by the Student Casework Office and the student will normally be notified of the outcome within 13 weeks of the University receiving the mitigating circumstances claim; where this proves not to be possible, the student will be notified of the progress of the review to date.

- 9.3. If the review is successful, the original decision of the Mitigating Circumstances Panel will be set aside leading to a new outcome being determined; if the claim remains rejected, the student will be notified of the reason(s) for this decision and the student will be issued with a Completion of Procedures email/letter. See 10 below.

10. Completion of Procedure and External review

- 10.1. The Student Casework Office shall issue a Completion of Procedures letter where:
- 10.1.1. The request for a review has been upheld, but the complainant requests a letter; and
 - 10.1.2. Where the complaint has not been upheld and the complaint's request for review has been rejected.
- 10.2. A complainant who remains dissatisfied may seek review from the Office of Independent Adjudicator established for this purpose, subject to the terms of its scheme. The Office of Independent Adjudicator scheme does not cover complaints relating to:
- 10.2.1. admission to the University;
 - 10.2.2. matters of academic judgment;
 - 10.2.3. student employment matters;
 - 10.2.4. matters that are the subject of court proceedings which have been concluded or which are "live" unless they have been stayed; or
 - 10.2.5. matters previously considered by another ADR Entity.

Part 1 – General Provisions

1. Purpose

- 1.1. The University is an adult learning environment, and accordingly students and staff are expected to treat each other responsibly and attempt to resolve any issues between them by discussion rather than resorting to formal procedures; however, the University recognises that sometimes such informal mechanisms are inappropriate or ineffective.
- 1.2. The purpose of these regulations is to
 - 1.2.1. protect students in University examinations and/or course assessments, including APL assessment, against the possibility of unfair assessment resulting from omission or error on the part of the University;
 - 1.2.2. protect students against the possibility of unfair termination of their registration resulting from omission or error on the part of the University, or from unforeseen circumstances affecting them, which were outside their control;
 - 1.2.3. enable issues of dissatisfaction to be addressed through a clear process which identifies a member of staff responsible for dealing with and resolving complaints.
- 1.3. No person shall be treated badly by the University because they have complained or assisted anyone else's complaint.

2. Timeliness

- 2.1. An appeal or complaint shall be considered within a reasonable time and usually within 5 weeks of the receipt of a duly completed relevant form. What is a reasonable time will depend on the nature of the appeal or complaint and evidence submitted with it, but the formal consideration and any associated review should be completed within 13 weeks of receipt of the duly completed relevant form. However, there may be circumstances where, for good reason, the University needs to extend this timeframe; if this occurs the University will advise the student of this.
- 2.2. Circumstances that may delay completion of the procedures (investigation and review) include (but are not limited to):
 - 2.2.1. Incomplete forms;
 - 2.2.2. Lack of clarity regarding the issues raised or grounds relied upon;
 - 2.2.3. Unavailability of relevant persons (including the student) for interviews/meetings;
 - 2.2.4. The investigation and consideration being put on hold to allow informal methods of resolution to be explored; or
 - 2.2.5. Delays in requesting a review.

- 2.3. Any period during which the matter is put on hold to allow informal methods of resolution to be explored shall not be included in the thirteen week period referred to in regulation 2.1 above.

Part 2 – Appeals

3. Appeals

- 3.1. These Procedures are intended to provide a process whereby a student can appeal against:
 - 3.1.1. A decision of an Assessment Board charged with decisions on student progression, assessment and awards; and/or
 - 3.1.2. A decision to terminate their registration as a student (e.g. discontinuation of studies).
- 3.2. Under this Part the University will not consider:
 - 3.2.1. An appeal in respect of the exercise of academic or professional judgment; that is, a decision made by academic staff on the quality of an assessment or the criteria being applied to mark the work, when arrived at through due process;
 - 3.2.2. An appeal that relates to a disagreement with a decision made by a Mitigating Circumstances Panel member under Section 7. In such cases, a student will be informed of their option to request a review of the mitigating circumstances outcome under Section 7;
 - 3.2.3. An appeal in respect of termination of a student's registration under Section 9 of the General Student Regulations (Student Conduct). In such cases, a student will be informed of their option to appeal under Section 9;
 - 3.2.4. An appeal in respect of termination of a student's registration under Section 10 of the General Student Regulations (Fitness to Study). In such cases, a student will be informed of their option to appeal under Section 10;
 - 3.2.5. A complaint about the University, its courses or services or the individuals concerned in their delivery (which should be considered under Part 3 of these regulations). Where the Student Casework Office considers that a student's appeal in part or whole would be more appropriately considered under the Complaints Procedure, the student will be informed of this and the appeal, in part or whole, will be reclassified as a complaint and forwarded on to the relevant complaint handler. The student will be informed of this and invited to submit a Complaint Form to clarify the nature of their complaint should they wish to do so;
- 3.3. Students from collaborative/partner institutions who have exhausted the appeals procedures of their host institution shall have a right to request a review of the process of the appeal outcome reached by the host institution.

4. Grounds of Appeal

- 4.1. A student may submit a procedural defect appeal against the decision of an Assessment Board to the Student Casework Office on the grounds that:
 - 4.1.1. that the University did not act in accordance with the relevant Regulations and/or Procedures in the provision and execution of the assessment process and that the failure to do so made the decision unfair¹;
 - 4.1.2. their academic performance was impaired in assessment(s) taken prior to being issued a University Internal Needs Assessment Report (INAR) approving assessment related adjustments. Such appeals will normally only be considered for assessments undertaken in the same academic year in which the INAR was issued.
- 4.2. A student may submit an appeal against the decision to terminate their registration to the Student Casework Office on the grounds that
 - 4.2.1. The University did not act in accordance with the relevant Regulations and/or Procedures in terminating the student's registration and that the failure to do so made the decision unfair;
 - 4.2.2. they had been affected by circumstances which had a significant impact, but which, for good reason, they had previously been unable to disclose via the appropriate University procedures.

5. Submitting an Appeal

- 5.1. For an appeal to be valid it must:
 - 5.1.1. Be made in writing on the prescribed Appeal Form;
 - 5.1.2. in respect of appeals asserting a procedural defect, identify the Regulations and/or Procedures concerned and explain the way in which the University's actions differed significantly from those set out under those Regulations and/or Procedures;
 - 5.1.3. in respect of termination of registration appeals asserting the existence of mitigating circumstances, explain the circumstances which occurred and show how these significantly affected the student and why the student was previously unable to disclose these circumstances via the appropriate University Procedures;
 - 5.1.4. Include all relevant, independent, supporting evidence, as appropriate;
 - 5.1.5. Be dated and bear the full name, student number and signature of the student;

¹ For appeals alleging bias or the perception of bias, a student will need to clearly state the basis of the appeal and provide evidence to support the claim that the marking of her/his work, exam etc. has been carried out in a biased way or in a way that could reasonably be perceived as biased. Disagreeing with a mark is not, without further justification, evidence that the marking process was biased.

- 5.1.6. Be received within ten working days of the date of publication of the result(s) of the assessment(s) concerned or the date of notification of the termination of registration. Appeals received after this deadline will be deemed invalid unless the student has demonstrated good reason for any period of delay;
 - 5.1.7. Be submitted in person at a Student Hub; or if submitted by post, must be addressed and sent directly to the Student Casework Office; or if submitted by email, must be addressed and sent directly to casework@londonmet.ac.uk. (The University does not accept responsibility for the receipt or late delivery of appeals submitted by post or email.)
 - 5.1.8. For appeals against decisions of Assessment Boards the appeal must list the title, code and affected component(s) of the module(s) concerned and specify the assessment period and academic year in respect of which the appeal is being made.
- 5.2. An appellant may find it helpful to seek advice, support or advocacy from the Students' Union. The Student Casework Office can give procedural advice, but cannot advise on the substance of the complaint.

6. Consideration of Appeals

- 6.1. The Student Casework Office shall check each appeal against the criteria in regulation 3 and the requirements listed in regulation 5 above. Any appeal that does not meet these criteria and requirements shall be deemed invalid.
- 6.2. The Student Casework Office shall consider each valid application on the basis of the student's written statement and supporting evidence. Information from staff members, other students or outside agencies may also be sought, as appropriate, by the Student Casework Office when considering an appeal.
- 6.3. The Student Casework Office shall determine whether the ground(s) listed in regulation 4 above has/have been clearly demonstrated and whether it is reasonable to uphold or reject the appeal.
- 6.4. The list below (which is not exhaustive) sets out common reasons why are unsuccessful:
 - 6.4.1. The appeal was received outside the deadline without good reason and evidence for the delay (In cases where a delay is unavoidable, the appeal must be submitted as soon as possible after the deadline and must include an explanation and independent supporting evidence covering the entire period affected).
 - 6.4.2. The student disagrees with the academic judgement of an Assessment Board in assessing the merits of an item of academic work or the classification of a final award, where the Board's decision was reached in

accordance with the regulations. (In such circumstances the student should request feedback from the relevant tutor /module tutor.)

- 6.4.3. The student's academic performance was affected by poor teaching, supervision or guidance. (In such circumstances the student should submit a complaint in accordance with Part 3 Student Complaints below).
- 6.4.4. The student was ignorant of the published assessment regulations and procedures, including deadlines for the submission of assessments and Appeals against decisions of Assessment Boards.
- 6.4.5. The appeal does not relate to decision of an Assessment Board or a decision to terminate a student's registration.

7. Appeal Outcomes

- 7.1. Where an appeal in respect of the decision of an Assessment Board is upheld, the Student Casework Office shall notify the Assessment Board and the student shall be provided with a further assessment or reassessment opportunity granted.
- 7.2. Where the appeal has been upheld on ground set out in regulation 4.1.2 the further assessment/reassessment opportunity provided in regulation 7.1 shall take due regard of their INAR and the highest mark achieved for that component of assessment shall be credited to the student's record. In all other cases, the further assessment/reassessment opportunity provided in regulation 7.1 shall stand in place of the affected attempt.
- 7.3. Where an appeal in respect of a research degree is upheld, the Student Casework Office will seek advice from the Chair of the Research Degrees Sub-Committee as to an appropriate outcome. This may include, but is not limited to:
 - 7.3.1. the examiners being invited to reconsider their decision; or,
 - 7.3.2. the appointment of new examiners
 - 7.3.3. a successful appeal cannot set aside a decision of the University Awards Board and recommend the award of a degree.
- 7.4. Where an appeal in respect of the decision to terminate a student's registration is upheld, the Student Casework Office shall:
 - 7.4.1. revoke the termination of the student's registration; or,
 - 7.4.2. request further information and/or evidence; or
 - 7.4.3. set conditions that the student must meet before the termination is revoked.
- 7.5. Where an appeal is not upheld, the decision being appealed shall stand.
- 7.6. The Student Casework Office notify students of the outcome of their appeal by email; this will normally be within 5 weeks of the University receiving the appeal, however, where this proves not to be possible, the student will be notified of the progress of the consideration of the appeal.

Part 3 - Complaints

8. Complaint

- 8.1. A complaint is a formal expression of dissatisfaction with any alleged act or omission of the University by a student, former student, applicant or other user of the University's services.
- 8.2. Under these regulations the University will not consider:
 - 8.2.1. a challenge to a decision of an Assessment board or a challenge to another exercise of academic judgment that has been reached by due process. Challenges to decisions of Assessment Boards should be made by way of an appeal under Part 2. Where only part of a complaint challenges the decision of an Assessment Board, the remainder will be considered under this procedure;
 - 8.2.2. a challenge to a decision to terminate student status. This should be dealt with by way of an appeal against termination of student status;
 - 8.2.3. a complaint about another student's behaviour. This should be reported to the School Proctor, as it may be misconduct;
 - 8.2.4. an intimation of a legal claim. This should be sent to the University Secretary who will respond in line with the Court's guidelines.
- 8.3. The University will consider complaints against:
 - 8.3.1. The Students' Union;
 - 8.3.2. Partner Institutions; and
 - 8.3.3. Any other entity which is subject to University oversight, but which has its own complaints procedure;

under these regulations. In such cases, the outcome of the entity's complaints procedure shall be deemed to be the complaint outcome which can be reviewed by the University Secretary in accordance with regulation 12.
- 8.4. This procedure is not appropriate for giving general feedback (for example, about a particular course) – this should be referred to the Course Student Academic Representative (StAR). This procedure is not appropriate for disclosing malpractice as defined by the University's Public Interest Disclosure Policy, under which disclosure should be made.
- 8.5. Where a complaint is frivolous or vexatious or where the complainant or representative engages in unacceptable behaviour, the complaint may be dismissed or conditions imposed on how the complainant/representative can conduct the complaint.

9. Before complaining/Informal resolution

- 9.1. Before submitting a complaint under this procedure a complainant should attempt to resolve the issue with the person concerned with or responsible for the matter

giving rise to the complaint. This is usually the quickest and easiest way of resolving matters. However, if the complainant has not had a response or they not satisfied with the response, they should submit a complaint under this procedure.

- 9.2. The relevant School or Professional Service Department may put their investigation of a complaint under these regulations on hold to allow informal methods of resolution to be explored.
- 9.3. A complaint shall be considered under these regulations and the investigation not put on hold, at the request of the complainant, if:
 - 9.3.1. It is not appropriate to be dealt with informally. If the complainant and the relevant School or Professional Service Department do not agree whether it is appropriate to deal with a particular matter informally, it shall be referred to the University Secretary for determination; or
 - 9.3.2. More than 4 weeks has elapsed since the investigation under these regulations was put on hold pursuant to regulation 9.2 above.
- 9.4. Notwithstanding anything in this regulation 9, regulation 10 shall apply to all complaints, whether or not any informal resolution of the matter has been explored or undertaken.

10. Submitting a complaint

- 10.1. A complaint must:
 - 10.1.1. be made in writing on the prescribed Complaint Form (available at www.londonmet.ac.uk/complaints on the University Secretary's Office webpages or in hard copy on request from the University Secretary's Office);
 - 10.1.2. be dated and bear the full name, student number (if applicable) of the complainant and be authorised by the complainant. The University does not accept complaints brought on behalf of another person, unless that person has specifically given written permission, or anonymous complaints;
 - 10.1.3. state the issues about which the complainant wishes to complain and what outcome the complainant is seeking;
 - 10.1.4. state what steps the complainant has taken to resolve the issue before making a complaint;
 - 10.1.5. include all relevant evidence that the complainant wishes to rely upon. The complainant will be asked to confirm that they have submitted all relevant evidence;
 - 10.1.6. If it is being made on behalf of a number of complainants, include the consent of each person on whose behalf the group complaint is being made and nominate one person to act as group representative with whom the University can correspond on behalf of the whole group.

- 10.1.7. be received within 3 months after the act or omission complained of (complaints received after this deadline will be deemed invalid unless the complainant has demonstrated good reason for any period of delay);
 - 10.1.8. be submitted to the Head of School of the relevant School or Head of the relevant Professional Service Department or their nominees (a list of the nominated contacts is available on the University Secretary's Office webpages). Where a complaint relates to more than one School and/or Professional Service Department, the complaint should be submitted to the Deputy University Secretary, who shall coordinate the investigation of the complaint across the relevant School and/or Professional Service Department either personally or shall nominate another person to coordinate the investigation.
- 10.2. A complainant may find it helpful to seek advice, support or advocacy from the Students' Union. The University Secretary's Office can give procedural advice, but cannot advise on the substance of the complaint.

11. Investigating a Complaint

- 11.1. On receipt of a valid complaint form the relevant School or Professional Service Department will investigate the complaint.
- 11.2. The complainant is required to participate with the investigation process in a timely and cooperative manner and comply with any reasonable requests for additional information/requests for meetings made by the person or team investigating the complaint.
- 11.3. If a meeting is arranged the complainant shall be given at least 5 working days' notice. The complainant shall be entitled to attend with a friend (who is not a solicitor or barrister), provided they are a student, member of staff of the Students' Union or member of staff of the University.
- 11.4. Once the investigation has been completed, the Head of School or Head of Department (or the Deputy University Secretary) or their nominee shall provide a written complaint outcome to the complainant which sets out their findings and decision in relation to each issue raised together with a summary of the evidence supporting each finding.
- 11.5. Investigation of a complaint may be put on hold while other procedures (such as academic appeals) are in progress.

Part 4 – Reviews and Completion of Procedures

12. Reviewing a Decision

- 12.1. The student may ask the Pro Vice-Chancellor in respect of appeals and the University Secretary in respect of complaints to review the decision(s) on the grounds that:

- 12.1.1. the decision maker has misapplied a procedure, policy or regulation;
 - 12.1.2. the decision(s) is not supported by the evidence;
 - 12.1.3. there was a serious procedural error (whether of this procedure prescribed by these regulations or of the requirements of natural justice) or other irregularity when the complaint was investigated and the decision(s) reached that makes the decision unfair;
 - 12.1.4. no reasons for the decision were given; and/or
 - 12.1.5. the student has new evidence that they could not reasonably have provided when making the complaint or during the investigation and which would probably have an important influence on complaint outcome. Other than this, the University Secretary shall not consider any evidence that was not provided when the complaint was being investigated and a decision reached under paragraph 5.
- 12.2. The request for a review must:
- 12.2.1. be in writing on the prescribed Complaint/Appeal Review Form (available at www.londonmet.ac.uk/complaints on the University Secretary's Office webpages or in hard copy on request from the University Secretary's Office) and
 - 12.2.2. state the grounds on which the decision(s) should be reviewed.
 - 12.2.3. be received by the University Secretary's Office within 2 weeks of the decision(s) being sent.
- 12.3. After reviewing the decision(s) the reviewer may:
- 12.3.1. affirm, set aside or vary any finding or decision reached;
 - 12.3.2. refer the appeal or complaint, or any part of it or any decision to the original decision maker for further consideration, with any such guidance as the reviewer thinks fit;
 - 12.3.3. consider (personally or by a nominee) the appeal or complaint afresh.
- 12.4. The outcome of the review will be communicated to the complainant in writing.

13. Completion of Procedure and External review

- 13.1. The University Secretary's Office shall issue a Completion of Procedures letter where:
- 13.1.1. The request for a review has been upheld, but the student requests a letter; and
 - 13.1.2. Where the complaint has not been upheld and the student's request for review has been rejected.
- 13.2. A student who remains dissatisfied may seek review from the Office of Independent Adjudicator established for this purpose, subject to the terms of its scheme. The Office of Independent Adjudicator scheme does not cover complaints relating to:

- 13.2.1. admission to the University;
- 13.2.2. matters of academic judgment;
- 13.2.3. student employment matters;
- 13.2.4. matters which do not affect the student in their capacity as a student;
- 13.2.5. matters that are the subject of court proceedings which have been concluded or which are “live” unless they have been stayed; or

Part 1 - General Provisions

1. Introduction

- 1.1. These Student Conduct Regulations (“Regulations”) set out the expectations on students to maintain the University as a community of scholars in which all members can work beside each other in conditions which permit freedom of thought and expression within a framework of intellectual honesty and respect for the rights of other persons. The Regulations also provide for the discipline of students on the grounds of misconduct.
- 1.2. Nothing in these Regulations is intended to limit Students’ freedom of expression within the law, or to prevent Students from openly criticising, disagreeing with or peacefully protesting against the University.
- 1.3. The use of the procedures under these Regulations is a serious matter. Any student who is accused of misconduct is advised to seek assistance from the Students’ Union promptly.

2. Applicability

- 2.1. These Regulations apply to:
 - 2.1.1. any person who is registered as a student of the University (including those students who have taken a break from their studies);
 - 2.1.2. so far as is practicable, any person to whom an offer of a place has been made and who subsequently becomes a Student.
- 2.2. These regulations apply where the alleged conduct
 - 2.2.1. affects the University or its property; or
 - 2.2.2. affects the person or property of its students, staff, visitors; or
 - 2.2.3. occurred during or arises out of university activities (including placements or field work or trips) or use of University facilities or premises; or
 - 2.2.4. brings the University or its community into disrepute.
- 2.3. It does not matter whether the alleged conduct takes place on or off University premises..
- 2.4. Students at a partner institution are subject to that institution’s code of discipline or disciplinary regulations. Such a student shall only be subject to these regulations in the event that the partner institutions code of discipline or disciplinary procedure does not adequately cover (either in scope or sanction available) acts that would be considered misconduct under these regulations.
- 2.5. Where the alleged misconduct arises or appears to arise from a physical or mental health condition (including from a failure to take prescribed medication), the allegation shall be dealt with in accordance with the University’s Fitness to Study regulations.

3. Standard of Conduct

3.1. Students shall:

- 3.1.1. not claim others' work as their own and shall respect all relevant academic conventions and practices;
- 3.1.2. not give or receive unpermitted aid in examinations; nor give or receive unpermitted aid in class work, in the preparation of essays, or coursework, or in any other work that is to be used as the basis of assessment;
- 3.1.3. respect and uphold the rights and dignity of others regardless of race, colour, national or ethnic origin, sex, age, disability, religion, sexual orientation, gender identity, or socio-economic status;
- 3.1.4. uphold the integrity of the University as a community of scholars in which freedom of speech within the law is available to all;
- 3.1.5. respect university policies as well as the law;
- 3.1.6. not improperly interfere (by act or omission) with the functioning or activities of the University, or of those who work or study in the University, or improperly damage the University or its reputation.

3.2. Breach of this standard of conduct shall be misconduct. A non-exhaustive list of examples of misconduct is set out in Schedule 1 .

4. Misconduct Offences

- 4.1. If a Student is found on the balance of probabilities to have committed misconduct they are liable to disciplinary measures, sanction and penalties.
- 4.2. An allegation of 'academic misconduct', including all forms of cheating, collusion and plagiarism, shall be dealt with in accordance with Part 2 (that is, regulations 11 to 17). Any other allegation of misconduct shall be dealt with in accordance with Part 3 (that is, regulations 18 to 23).
- 4.3. All interviews, panels and decisions under these regulations shall be made and conducted in accordance with Schedule 4.
- 4.4. Misconduct that has been proven under these regulations may be referred to in any reference given by the University or a member of staff. The University may also be obliged to report it to a relevant professional body.

5. Criminal Offences

- 5.1. Where alleged misconduct is or could also be a criminal offence, the School Proctor shall confer with the University Secretary. The University may:
 - 5.1.1. Report the matter to the police or other relevant authority. Only the University Secretary may report an incident to the police on behalf of the

University, but this does not affect the right of any person affected by the alleged misconduct to report it to the police on their own behalf;

- 5.1.2. Defer taking action until the police, Crown Prosecution Service and courts have dealt with the matter; and/or
 - 5.1.3. Continue with its investigation, where it is confident that the University's investigation will not prejudice or hinder the police investigation or criminal proceedings.
- 5.2. The University is entitled to rely on the fact of a criminal conviction (whether on a guilty plea or otherwise) or acceptance of a caution as proving that an offence was committed.
 - 5.3. The University will take into account any caution accepted or sentence imposed when deciding the appropriate penalty.
 - 5.4. Save as provided for by regulations 5.2 and 5.3, proceedings under these regulations are separate from and additional to the criminal law. A Student is not exempt from these regulations simply because they have been convicted of a criminal offence arising out of the same set of facts and no defence of double jeopardy can be claimed.

6. Licensed Premises

- 6.1. While an alleged incident takes place on licensed premises (whether on University premises or elsewhere) that incident may give rise to both proceedings under these regulations and exclusion, barring or suspension of access to the licensed premises by the licensee in accordance with the general law.
- 6.2. Proceedings under these regulations are separate from and additional to any decision of a licensee regarding exclusion, barring or suspension of access to licensed premises. A student is not exempt from these regulations simply because of a licensee's decision based on the same set of facts and no defence of double jeopardy can be claimed.
- 6.3. No decision under these regulations may overrule, reverse or amend any decision of a licensee regarding licensed premises.

7. Fitness to Practise and professional or regulatory requirements

- 7.1. Where allegations are made against a student on an Accredited Course, the University may:
 - 7.1.1. Notify the relevant body of the matter;
 - 7.1.2. Take separate action (in addition to any action under these regulations) under its Fitness to Practise policy, Academic Regulations or course regulations. The University may use any evidence compiled pursuant to these regulations in any Fitness to Practise proceedings.

8. Authority to Check Disorder

- 8.1. All members of staff have the authority to check disorder or any potential and/or actual breach of regulations or policies by students occurring in any part of the University. This may include giving the student an oral warning or requiring a student to leave a particular area of the University's premises, such as a lecture room or library, for a specified period not exceeding 1 hour or the end of the teaching session (whichever is longer). Because it is a short-term measure, there is no right of appeal against a member of staff's decision.
- 8.2. Where a staff member has exercised the authority under regulation 8, they must report the matter to the Proctor.
- 8.3. Where a student is reasonably believed to be causing disorder, a Building Manager may, on their own authority or on the report of a member of staff, ban the student from the University's premises for 24 hours. Because it is a short-term measure, there is no right of appeal against a Building Manager's decision.

9. Precautionary Suspension and Conditions

- 9.1. Where a student is suspected of misconduct, a Proctor may, with the consent of a member of Senior Staff, suspend the student for a period of time or indefinitely if:
 - 9.1.1. A criminal charge is pending against the student; or
 - 9.1.2. They consider that the student's presence on University premises would:
 - 9.1.2.1. breach the University's duty of care to the student or others; or
 - 9.1.2.2. cause the University to be in breach of its wider obligations (including, but not limited to, obligations under the UK immigration regulations); or
 - 9.1.2.3. impede an investigation into the allegation;
- 9.2. A Senior Member of Staff may suspend a student in the circumstances set out in regulation 9.1 in the absence of the Proctor.
- 9.3. Suspension means that the student shall be excluded from all University premises. The student may seek support from a Student Liaison Advisor or the Students' Union, but this must be by appointment. A student who has not made an appointment will not be admitted to the University's premises.
- 9.4. Suspension is precautionary and does not mean that the allegation has been judged or proven.
- 9.5. Where a student is suspected of misconduct, a Proctor may, with the consent of a member of Senior Staff, impose conditions on the student for a period of time or indefinitely, whether in addition to a suspension or not, to ensure that:
 - 9.5.1. The student does not cause the University to be in breach of its:
 - 9.5.1.1. wider obligations (including, but not limited to, obligations under the immigration regulations); or

- 9.5.1.2. duty of care to the student or others or
 - 9.5.2. the student does not impede an investigation into the allegation.
- 9.6. A member of Senior Staff may impose conditions on a Student in the circumstances set out in regulation 9.5 in the absence of the Proctor.
- 9.7. A student who has been suspended or had conditions imposed under regulation 9 may:
 - 9.7.1. Ask the Proctor or University Secretary to review the suspension or condition. Any such request must be in writing and may be made not more frequently than once a month or where there has been a material change of circumstances.
 - 9.7.2. Ask the Proctor or University Secretary for temporary permission to attend the University or temporary variation of the conditions for examinations, for submission of coursework or to access student support or advice from Student Services or the Students' Union. Such request must be in writing.

10. Office of the Independent Adjudicator for Higher Education

- 10.1. Under the Higher Education Act 2004 the University subscribes to the independent scheme for the review of student complaints. If a student is dissatisfied with the outcome of a misconduct case they may be able to apply for a review to the Office of the Independent Adjudicator for students in Higher Education (OIA) providing that the complaint they make to the OIA is eligible under its Rules. The University will confirm in writing to students, by way of a Completion of Procedures email/letter, when they have exhausted the University's internal procedures. At this point students may make a complaint to the OIA if they wish.

Part 2 - Academic Misconduct

11. Reporting Allegations of Academic Misconduct

- 11.1. If, during an examination, an invigilator believes that a student has engaged in academic misconduct they shall normally inform the student and endorse the student's answer book as follows: with the time, and a brief description of the incident and with her/his initials. Any prohibited material will be removed and retained. The student shall then be permitted to continue, in a new answer book. A written report of the incident shall be made to the Student Casework Office by the invigilator or examiner concerned, as soon as possible and normally within seven working days of the incident. The Senior Invigilator shall, in addition, note the circumstances in the Senior Invigilator Report. Where evidence of academic misconduct is reported to the Student Casework Office after this deadline, an allegation may still be progressed against a student if, in the opinion of the Director of Student Journey (or nominee), there are compelling reasons to do so.
- 11.2. Where an internal examiner establishes that there is, in their view, evidence of academic misconduct, they shall provide a written report, including relevant evidence, to the Student Casework Office as soon as practicable, but no later than six weeks from the standard submission deadline for the work concerned. Exceptionally, a written report, including relevant evidence, may be submitted no later than two weeks after this period, but only with the prior agreement of the Student Casework Office. Where evidence of academic misconduct is reported to the Student Casework Office after this deadline, an allegation may still be progressed against a student if, in the opinion of the Director of Student Journey (or nominee), there are compelling reasons to do so.
- 11.3. Where an internal examiner has a reasonable suspicion a student has engaged in academic misconduct, the internal examiner may require the student to sit an informal *viva voce* examination. Such examination shall be conducted in accordance with guidance published by the Student Casework Office and the reports of the examination may stand as evidence under this part.
- 11.4. Where an external examiner establishes that there is, in their view, evidence of academic misconduct, they shall notify the internal examiner, who shall act in accordance with 11.2 above.
- 11.5. A student who believes that there are grounds for an allegation of academic misconduct against another student shall inform the relevant Module/Course Leader who shall establish if there is sufficient evidence of academic misconduct. If such evidence is found, the member of staff shall act in accordance with 11.2 above.
- 11.6. A report of academic misconduct shall:
 - 11.6.1. Be in writing, signed and dated by the member of staff making it;
 - 11.6.2. Specify the full name(s) and number(s) of the student(s) to whom it relates;
 - 11.6.3. State the basis and the evidence on which the allegation has been made and be accompanied by all the relevant evidence;

- 11.6.4. Provide details of the assessment, including the coursework or examination questions, the weighting of the item of assessment and any information provided to students concerning academic conventions and practices.

12. Minor academic misconduct in Coursework

- 12.1. Where a Module Leader establishes that there is evidence of academic misconduct relating to Coursework which if substantiated would lead to Penalty 1 pursuant to Schedule 2 they shall submit an allegation pro forma to the Student Casework Office. The Module Leader shall retain the coursework.
- 12.2. Where the Student Casework Office determines that the alleged academic misconduct suggests a higher category and/or penalty, or where the student has a previous proven allegation substantiated against them, the case will be progressed under regulations 13 to 17.
- 12.3. Unless the Student Casework Office has determined that the allegation should be progressed under regulations 13 to 17, they will write to the student confirming:
 - 12.3.1. that an allegation has been submitted;
 - 12.3.2. details of how the student can access their work and evidence within the School should a student wish to review the basis of the allegation;
 - 12.3.3. details of how to request a review of the allegation, should a student wish to dispute the allegation;
 - 12.3.4. School arrangements and contacts details so that the student can undertake an academic conduct tutorial.
- 12.4. Unless the student requests a review of the allegation within the period stipulated by the Student Casework Office, the Module Leader may impose Penalty 1 and mark the work accordingly.

13. Consideration of Allegations of Academic Misconduct

- 13.1. The Student Casework Office shall first determine if there is evidence to progress an allegation lodged in accordance with regulation 11 above.
- 13.2. In cases where there is insufficient evidence, the case will be returned to the Module Leader with a request that the work is marked in the normal way as per the University's Academic Regulations.
- 13.3. For very minor cases of academic misconduct (not listed in the Table of Penalties in Schedule 2), the School concerned shall be advised to counsel the student as to the nature of the transgression. (In such cases, the allegation will not be progressed via these regulations).
- 13.4. In cases where there is sufficient evidence for an allegation to be progressed, the Student Casework Office shall determine if the nature of the academic misconduct clearly falls under one of the categories listed in Schedule 2.

- 13.5. In cases where the academic misconduct clearly falls under one of the categories listed in Schedule 2 the student will be informed that there is sufficient evidence to support the allegation. The student will be invited to make any submissions in response to the allegation within a period of ten working days. Any submissions provided by the student will be considered before a decision about the allegation is made. If the student fails to make such submissions within the time period, or at all, the decision will be that the allegation is found to be proven and an appropriate penalty imposed.
- 13.6. In cases where the academic misconduct falls under two or more categories; e.g. in cases of collusion, or where there is ambiguity as to the nature of the academic misconduct, the Student Casework Office shall progress the case by notifying the student in writing of the allegation and by requesting that the student responds by the completion of a Procedural Form.
- 13.7. In relation to regulation 13.5 and 13.6 above, the Student Casework Office will notify a student of the academic misconduct presented against them. Notification to the student shall include:
- 13.7.1. a copy of the allegation and all evidence in support of it;
 - 13.7.2. a copy of these regulations;
 - 13.7.3. in cases where there is sufficient evidence to support the allegation (refer 19 above), the options available for a review of the decision and how to request such a review; or,
 - 13.7.4. in cases progressed under regulation 13.6, a Procedural Form, which the student must complete, detailing the options by which the student can respond to the allegation.

14. Options for a Student's Response

- 14.1. Where a student has been notified of an allegation of academic misconduct, they may request in writing, within ten working days from the date of receipt of the notification of the allegation, a review of the allegation of academic misconduct against them.
- 14.2. In cases progressed under regulation 13.5, when requesting a review a student may:
- 14.2.1. in the case of Penalty 1, dispute the allegation;
 - 14.2.2. dispute the allegation and also make representations against the level of the penalty imposed; or,
 - 14.2.3. accept the allegation, but make written representations only as to the level of penalty imposed.
- 14.3. In cases progressed under regulation 13.6, when requesting a review a student shall:
- 14.3.1. complete, sign and return the Procedural Form attaching any evidence in support of their statement, to the Student Casework Office; and

- 14.3.2. accept the allegation, indicating where appropriate the category of academic misconduct which is accepted; or,
 - 14.3.3. dispute the allegation and whether they want the allegation and her/his response to it to be considered.
- 14.4. When requesting a review a student shall indicate whether they want the allegation and their response to it to be considered by way of written submission or at an oral hearing. Where a student does not explicitly request an oral hearing the case will be considered by way of written representations
- 14.5. In cases involving two or more students, if one student opts for an oral hearing of the case then all the students who responded to the allegation will be invited to attend the hearing. A student who originally requested for the case to be heard by way of written representations shall not be eligible to request a postponement of the hearing.

15. Valid/Invalid Responses

- 15.1. In responding a student shall identify and explain the reasons that form the basis of the case upon which the student is relying and should be accompanied by all relevant evidence in support of her/his statement. Requests that do not identify and explain the reasons upon which the student is relying shall be deemed invalid by the Student Casework Office; the student shall be notified in writing of this and shall be deemed to have accepted the allegation.
- 15.2. Where students do not respond within the stated deadline they will be deemed to have accepted the allegation against them and, where necessary, a Panel shall determine the appropriate category of academic misconduct. The Student Casework Office shall inform the student in writing of the Panel's decision or that by not responding the student has missed the deadline to request a review but that they may still be able to appeal in accordance with Part 4 below.
- 15.3. A Panel will be convened in accordance with Schedule 4 to consider all valid student responses.

16. Consideration of a Student's Response

- 16.1. Where a student disputes the allegation, a Panel shall consider the allegation and the evidence in support of it alongside the student's submission. The Panel shall then determine whether there is sufficient evidence of academic misconduct to substantiate the allegation under one of the categories of academic misconduct listed in Schedule 2. In such cases the Panel shall substantiate the allegation and further consider any representations, which have been presented by the student, as to the imposed penalty.
- 16.2. Where a student has made representations only against the penalty imposed, the Panel shall consider these representations and determine if valid grounds have been presented upon which the penalty may be lowered. There is no requirement to substantiate an allegation that has been admitted.

17. Academic Conduct Tutorial

- 17.1. All students who are found to have contravened these regulations with regard to assessments other than examinations shall be encouraged to attend a tutorial on academic conduct. This tutorial shall provide the opportunity for students to receive guidance on models of good academic practice and referencing conventions in the subject area concerned. The tutorial shall also provide students with the opportunity to understand the nature of their transgression and receive advice on their future academic conduct.

Part 3 - Non-Academic Misconduct

18. Proctors

- 18.1. Allegations of non-academic misconduct by a Student should be reported to the Proctor for the School of which the Student is a member. Where a student wants to report an allegation of non-academic misconduct by another Student, but does not know which school the other Student is a member of, they can report the matter to the Proctor for their own School.
- 18.2. Where a Proctor receives an allegation or is otherwise made aware of non-academic misconduct, they shall make enquiries of any person who might know of the circumstances of, or matter relevant to, the alleged misconduct (which may include enquiries of the University's Disability and Dyslexia Service) to determine whether misconduct has taken place. Such enquiries shall usually be concluded within 20 days of the receipt of notice of the suspected misconduct.
- 18.3. On conclusion of the enquiries pursuant to regulation 19.1 and if the Proctor determines that there is evidence of a case against the student, the Proctor shall arrange an interview with the student at which the allegation against them and evidence on which it is based is put to them. The interview shall usually take place within 10 days of the conclusion of the enquiries pursuant to regulation 18.1 and shall be conducted in accordance with Schedule 4.
- 18.4. The Proctor shall determine whether the misconduct is minor or major.
- 18.5. The following shall be considered major misconduct:
 - 18.5.1. three incidents of disorder occurring within a 5 day period;
 - 18.5.2. repeated or systematic minor misconduct;
 - 18.5.3. attempts to influence or victimise complainants or witnesses involved with any proceedings under these regulations or by the police;
 - 18.5.4. failure to comply with a sanction imposed under these regulations;
 - 18.5.5. misconduct relating to examinations or assessments (insofar as it does not amount to academic misconduct);
 - 18.5.6. submission of falsified documents to the University (including documents provided evidence in support of mitigating circumstances claims or academic appeals);
 - 18.5.7. serious criminal offences (that is, an offence that is likely to attract an immediate custodial sentence if proved in a criminal court, or one that can only be tried as a criminal offence in the Crown Court (an indictable only offence));

19. Minor Misconduct

- 19.1. Where the Proctor determines that the misconduct alleged is minor and that on a balance of probabilities that the student has committed the misconduct, they may deal with the matter administratively in accordance with regulation 19.2
- 19.2. The Proctor shall notify the student of the allegation and provide a summary of the reasons for their decision and may give the student:
 - 19.2.1. a reprimand - this notes that the misconduct has been committed by the student, but no further sanction will be applied. It is sufficient to record the matter on the student's file.
 - 19.2.2. a conditional reprimand - this notes that the misconduct has been committed by the student, but no further sanction will be applied, provided the student complies with certain conditions. Such conditions may include a requirement to apologise, to make reparation (financial restitution or otherwise) and/or to accept behavioural measures to prevent future misconduct.
- 19.3. The Proctor shall within 5 days notify the student, Head of School and the Student Casework Office of their decision under regulation 19.1 and the reprimand and record the decision and reprimand on the student's file;
- 19.4. If the Proctor has given the student a Conditional Reprimand and the student does not comply with the conditions, both the original misconduct and the failure to comply with the conditions may be referred for consideration as major misconduct.
- 19.5. Imposition of a financial condition under regulation 19.2 shall not prevent the University or any other person from seeking compensation from the student for the costs of repair to their property.

20. Major Misconduct

- 20.1. Where the Proctor is satisfied that major misconduct has taken place, they shall within 5 days inform the student that there is sufficient evidence to support the allegation. Notification to the student shall include:
 - 20.1.1. a copy of the Disciplinary Major Misconduct Report and any evidence in support of it;
 - 20.1.2. a copy of these regulations;
- 20.2. The student will be invited to make any submissions in response to the allegation within a period of ten working days to the Student Casework Office. The student should submit any documents that they intend to rely on in response to the allegation. **Failure to respond will result in the University deeming that the student has accepted the allegation and a Panel shall determine the appropriate sanction to be imposed.**
- 20.3. The Student Casework Office may, within 10 days of receipt of the student's submission in respect of the misconduct, decline to refer a matter to a Panel if they consider:

- 20.3.1. that there is insufficient evidence to substantiate the allegation against the student;
 - 20.3.2. that the matter is not major misconduct;
 - 20.3.3. there is a real risk that proceeding will adversely affect the student's health; or
 - 20.3.4. that it is not in the University's interests for the matter to proceed.
- 20.4. Where the Student Casework Office declines to refer a matter to a Panel pursuant to regulations 20.3.1 or 20.3.2, they may refer the matter to Proctor for further investigation (and subsequent referral) or consideration as minor misconduct.

21. Consideration by a Panel

- 21.1. A Panel shall consider all allegations of major misconduct referred to it by the Student Casework Office.
- 21.2. A hearing before a Panel shall be convened by the Student Casework Office, which shall also appoint a clerk to the Panel. Such hearing shall usually take place within 30 days of receipt of the Proctor's referral by the Student Casework Office.
- 21.3. The preparation for the hearing shall be in accordance with Schedule 4.
- 21.4. The hearing shall be conducted in accordance with Schedule 4 and the Proctor (or their nominee) shall present the case against the student.
- 21.5. Where the Panel determines that the student has committed major misconduct it shall apply one or more of the sanctions set out in Schedule 3.
- 21.6. Imposition of a financial sanction under regulation 21.5 shall not prevent the University or any other person from seeking compensation from the student for the costs of repair to their property.
- 21.7. The clerk to the Panel shall notify the student, the Proctor, the Student Casework Office and the Head of School of the decision of the Panel and shall record the decision on the student's file.

22. Binding Over

- 22.1. At any time before a decision has been made pursuant to regulations 20.1 and 22.5, the University may agree with the student not to proceed to a decision subject to agreed conditions, provided that:
 - 22.1.1. the student admits the misconduct; and
 - 22.1.2. the student undertakes to abide by the conditions of the agreement; and
 - 22.1.3. the Director of Student Journey and the University Secretary consent to the agreement;
- 22.2. Conditions may include, but are not limited to, a requirement to apologise, to make reparation (financial restitution or otherwise) and/or to accept behavioural measures to prevent future misconduct.

- 22.3. If the student breaches the conditions of the agreement, the University may proceed with the original misconduct (together with any subsequent misconduct) on the basis of the admission and a sanction may be imposed for all instances of misconduct (taking into account any partial compliance with the conditions of the agreement);
- 22.4. No student shall be required to conclude an agreement pursuant to regulation 22.1
- 22.5. A student shall not be subject to any detriment (other than a continuation of proceedings under these regulations) for declining to conclude an agreement pursuant to regulation 22.1 and the fact that such an agreement has been declined shall be disregarded when considering the matter.

23. Times Scales and Changes to Procedure

- 23.1. Where a matter has been deferred pursuant to regulation 5.1.2, no time period of time stipulated under regulations 0 to 1 shall run until the police, Crown Prosecution Service and courts have dealt with the matter and the University has been notified of the same;
- 23.2. Any period of time stipulated for completion of a step by the University may be extended:
 - 23.2.1. at the request of the student (including, but not limited to, a request to reschedule an interview or hearing);
 - 23.2.2. with the agreement of the student;
 - 23.2.3. with the agreement of the Head of School or the University Secretary in the event of matters outside the University's control or where the complexity of the matter so requires;
- 23.3. Any period of time stipulated for completion of a step by the student may be extended with the agreement of the Proctor or the University Secretary. Such agreement shall usually only be given the event of matters outside the student's control or where the complexity of the matter so requires.

Part 4 - Appeals

24. How to Appeal

- 24.1. A student who has received a sanction or penalty pursuant to these Regulations may appeal the decision or the sanction/penalty.
